Internet Options - Address Check Workbook

Important: exact serviceability at 1225 19th Ave. cannot be fully confirmed from public search results alone. Breezeline is the city-listed cable/internet option for Altoona. The other providers below are realistic options to run through their own availability checkers and save results in writing.

Provider	Type	Current status	Phone / check path	Write result here
Breezeline	Cable internet	City-listed Altoona provider	888-536-9600	
Verizon Home Internet	5G Home / Fios check	Address check required	Use Verizon availability checker	
T-Mobile Home Internet	5G Home	Address check required	Use T-Mobile eligibility checker	
Starlink	Low-earth-orbit satellite	Available almost anywhere; rooftop view needed	Use Starlink availability map	
Hughesnet	Satellite	Address check / plan quote required	844-737-2700 or Hughesnet address lookup	
Viasat	Satellite	Address check / plan quote required	Use Viasat availability page	
XNET WIFI	Wireless / device-based	Coverage check required	Use XNET coverage checker	
In The Stix Broadband	Regional fixed wireless / fiber	Call to verify each to address	814-472-2662	
Crowsnest Broadband	Regional fiber / fixed wireless	Address check service map	Use Crowsnest service checker

Codes, Inspection, Insurance, and Permit Questions

Call Altoona Codes & Inspections before building walls, adding bathrooms, changing room use, or overcrowding rooms.

Codes questions to ask

- ■ Rental licensing steps and required packet items
- ■ Inspection sequence and expected scheduling lead time
- ■ Permit requirements for non-bearing walls
- ■ Permit requirements for 6' x 12' laundry-to-bath conversion
- ■ Whether adding bathrooms on upper floors is feasible and what plans would be required
- ■ Whether living room and dining room bedroom conversions create occupancy, egress, or code issues
- ■ How the city views shared rooms with 2 occupants
- ■ Whether future garage office/living conversion would be allowed
- ■ Whether future ghost-kitchen activity would trigger zoning or commercial-use issues

Insurance questions to ask State Farm

- ■ Confirm owner-occupied plus rented-room disclosure is on the policy.
- ■ Request declarations page or proof showing the property address and liability coverage.
- ■ Confirm renovations are covered during setup.
- ■ Ask how basement inventory, garage rental, and future business activity affect the policy.
- ■ Ask when room rentals must be fully disclosed if not already updated.

Rear exterior	Straight-on rear, steps, yard, rear entry, garage relation	Rear width if relevant	02-Exterior-Rear
Each bedroom / future bedroom	Door view in, all four walls, ceiling fixture, floor, windows, closet, damage details	Length, width, ceiling height, door width, window width/height, sill height, closet width	Room-[Name]
Bathroom	Door view in, vanity, toilet, tub/shower, plumbing details	Floor dimensions, vanity width, clearances	Bath-[Name]
Laundry room	All walls, plumbing, drain, vent path, electric, ceiling	6 x 12 verify, door width, stack space, fixture clearances	Laundry-Bath-Plan
Kitchen/common	All walls, cabinets, appliances, floor, outlets, sink, windows	Room size, appliance widths, counter runs	Kitchen-Common
Basement	Wide shots, storage zones, utilities, stairs, hazards	Storage zone widths/depths; stair width	Basement
Garage	Exterior, each bay, doors, electric, slab, walls, ceiling	Inside width, bay widths, door sizes, depth, ceiling height	Garage

Measurement checklist by room

- ■ Length
- ■ Width
- ■ Ceiling height
- ■ Door width
- ■ Window width
- ■ Window height
- ■ Window sill height from floor
- ■ Closet width/depth
- ■ Outlet count
- ■ Ceiling fixture count

Mint Mobile Switch Plan

Smartest path: if the current phones are unlocked and eSIM-compatible, the cheapest / fastest path is usually Mint direct with eSIM, because Mint itself is online-only and does not require a store visit. Use local retail only if you need a physical starter kit the same day.

Before switching

- Confirm each phone is paid off and unlocked.
- Run Mint compatibility check by IMEI.
- Decide eSIM or physical SIM for each line.
- Collect current carrier account number for each line.
- Collect transfer PIN / number transfer PIN for each line.
- Make sure you have Wi-Fi available during activation.
- Decide whether to port current numbers or start fresh.

Notes

_____

_____

_____

Item	What it means / what to do
Mint direct (best if phones support eSIM)	Buy plan online, choose eSIM delivery, activate immediately in the Mint app. No store trip if device is compatible.
Mint starter kit (physical SIM)	Use if a phone is not eSIM-compatible or you want a same-day physical SIM path.
Bring your own phone rule	Phone must be compatible and unlocked.
Information you need from old carrier	Account number and PIN or number transfer PIN.

Local places to check same-day for a physical Mint starter kit or plan card

Store	Address	Phone	Use case
Best Buy Altoona	1721 Osgood Dr, Altoona, PA 16602	(814) 949-6750	Strongest local same-day Mint lead; check online pickup first.
Best Buy State College	1650 N Atherton St, State College, PA 16803	(814) 237-5610	Backup if Altoona store is out of stock.
Target Altoona	153 Sierra Dr, Altoona, PA 16601	(814) 949-3592	Target carries Mint kits online; call or check app for pickup.
Target State College	315 Colonnade Blvd, State College, PA 16803	(814) 861-8660	Secondary Target option if Altoona has no stock.
Walmart Altoona	2600 Plank Road Commons, Altoona, PA 16601	(814) 949-8980	Walmart is a backup retailer stop, but Mint stock is less certain.
Walmart State College	373 Benner Pike, State College, PA 16801	(814) 235-9306	Last resort backup for general SIM needs.

Source and verification notes

Official city and provider sources were used for Codes & Inspections contact information, utility contacts, rental application requirements, trash and recycling rules, and key carrier activation requirements. Address-level internet availability remains partially dynamic, so non-city-listed internet options in this workbook are marked as address-check required rather than guaranteed. Verify all serviceability, inventory, and pricing again at time of order.

Topic	Verification note
Codes & Inspections	City of Altoona Codes & Inspections page: address and phone verified.
Rental requirements	City rental program and rental application pages reviewed.
Water / electric / trash	City resource directory pages reviewed for AWA, Penelec, and IRC contacts.
Gas	Peoples Natural Gas customer service and emergency contacts reviewed.
Internet	Breezeline official contact page reviewed; other providers treated as check-required options.
Mint Mobile	Mint official plan, BYOP, eSIM, activation, and coverage pages reviewed; local retailer pages checked for local sourcing options.
